Dear Students and Parents,

Thank you for choosing to be a part of the Centennial High Choir Family! It is my belief that choir has a place for every person, no matter how well they sing. Choir is an environment for individuals who want to engage in the powerful music making experience that is enriching for the body, mind, and spirit. It is a well-rounded experience that provides opportunities for life-long friendships, field trips, and a daily dose of exuberant artistry that you wouldn't get anywhere else.

The expectation of musical excellence and professionalism here at Centennial has produced a distinguished reputation around the district and state. It is my intention not only to continue its success, but also to grow and improve it. It is fully expected of each individual to become independent in their own musical development so they may ultimately affect the nature of the ensemble in a productive manner. It is essential to have a team mentality in choral music; however, it is just as imperative that the individual voice, mind, and spirit are nurtured. This suggests that each student must take ownership of their musical ability and strive to improve their instrument to advance the choral program.

One of the challenges of running a choir program like ours is the financial obligation it raises such as uniforms, buses, festival fees, sheet music, etc. Our students are able to enjoy the privileges of this program because of fundraising done by individuals, families, and our booster organization. We have to fundraise nearly 100% of the costs involved with running a prestigious choir program each year. **How can you help?** You may sign up to help with a fundraiser or ask individuals/corporations to sponsor the choirs (see form near the end of the packet). Whatever you can do is needed and greatly appreciated!

This handbook outlines basic information concerning the Centennial Choral Program. **Please read all information carefully and have all parties complete and sign the contract on the contract link found at singinghawks.org. The Contract and the Permission Slip must be completed for a grade by Friday, August 31, 2018.**

Welcome to the Centennial Choral Family!

Sincerely,

A handwritten signature in black ink that reads "Patrick Burzlaff". The signature is stylized with large, flowing letters.

Patrick Burzlaff
Director of Choral Music
Centennial High School

CLASS OVERVIEW

THE CENTENNIAL HIGH SCHOOL CHOIRS

This class is a **year-long** comprehensive choral music education program. The non-auditioned Men's Ensemble and Women's Chorus consist of students with a wide range of vocal abilities and musical backgrounds who are given daily instruction in music theory, sight-singing, ear-training and choral performance. Continuing this instruction, Aurum Chorum is an intermediate-level auditioned women's ensemble. The Concert Choir is a large mixed ensemble open by audition only. The Chamber Singers is a small mixed ensemble open to advanced singers by audition. All choirs participate in a variety of festival and performance opportunities throughout the school year (see schedule on pg.9).

VOICE LESSONS

All choir students are encouraged to take private voice lessons. There is only so much that can be done in the choral rehearsal to enhance one's instrument. Good private voice instructors can prove to be an invaluable source to achieve greater self-confidence and enhanced vocal ability. Please talk to Mr. Burzlaff for a voice teacher recommendation.

CLASSROOM/PERFORMANCE REQUIREMENTS

DAILY ATTENDANCE

Choir is a class where instruction and class work happen during school time; therefore, attendance is the most accurate indicator of individual and group success. Students with excessive absences lower the overall group potential. After two absences in a single quarter, students will begin to lose the daily allotted points for each following day of absence. Students with perfect attendance will be given extra points. Please review the Grading Policy for information on making up excused absences. **Excessive absences/tardies may result in the student's dismissal from the ensemble.**

TARDIES

We will always start on time and end on time, so it is expected that each student is punctual just as it is expected that I am punctual. Each day a student is tardy, **half** of their daily points will be deducted for that day. After 3 tardies, an incident referral will be filled out and sent to the dean for further repercussions.

EXTRA REHEARSALS/EXCHANGES

After-school rehearsals are not common, but may be scheduled prior to quarterly performances. Currently, the only scheduled after school rehearsals are in preparation for our Pops Concert. These will take place for all choirs after school on **May 14th and 16th**. Additionally, choir exchanges with high schools and colleges from outside the district may be scheduled after school. These are typically scheduled months in advance. Attendance is required for all after school rehearsals and exchanges. See Mr. Burzlaff for conflicts. See below for list of excused and unexcused absences.

PERFORMANCES

Just as athletes train for games and events, musicians train for performances. All performances are part of the choral curriculum and are evaluations of what we've learned throughout each quarter. **THESE ARE NOT OPTIONAL!** Therefore, please plan accordingly and familiarize yourself with the schedule printed below. All performance are subject to change. In the event of a date change, a notification will sent home in advanced. **In the event of serious illness or family emergency, a parent's written notice must be turned in to Mr. Burzlaff prior to the performance. A supplementary assignment will be given in place of the missed performance.**

The following are excused absences for choir rehearsals and concerts:

- Sudden severe illness (not a cold!)
- Death in family or funeral
- Court appearances
- Religious holidays

The following are unexcused absences:

- Transportation problems (plan ahead-get a ride from a friend)
- Religious youth group, service or event (concerts occur only four times a year)
- Family plans, parties, reunions
- Minor illness
- Family vacation
- Athletic or cheer practices
- Other group's rehearsals or concerts
- Voice or dance lesson
- Forgetfulness
- Suspension from school or other discipline
- Parents would not bring student

CLASSROOM RULES

1. Always give the very best of your body, mind, spirit, and voice.
2. Phone in...binder out.
3. Cooperate and participate as a team.
4. Please raise your hand for questions and wait patiently to be called on.
5. Water only and gum in the trash.

PROCEDURES

Four "P"s of the excellent Choral Rehearsal

2. Practices good breath support and management
3. Makes eye contact/follows conductor

Personal Conduct

1. No gum, food, drink, etc. (water only)
2. Cell phones, electronic devices stowed away
3. Demonstrates respectful behavior

Participation

1. On task (focused and energetically working on the task-at-hand)
2. Appropriate use of sheet music/binder/materials
3. Follows directions
4. Makes positive contribution to rehearsal from beginning to end
 - a. Gives responses and asks questions
 - b. Engages in class activities (sings, class work, etc.)

GRADING

A student's grade is made up of four categories, 70% of which is comprised of their participation/effort in class during rehearsal or at a performance (including attitude and attendance—tardies and absences). The other 30% is comprised of the student's class work and quizzes on music theory and terminology. By looking at the scale to the right, you will notice two things. 1.) Grades are already rounded for the student, which mean no pleading for grades to be additionally rounded. 2.) The D grade has been eliminated. D grades are just as unacceptable as Fs. No student should pass choir with a D.

A:	89-100
B:	79-88
C:	69-78
F:	below-68

Please note that absences and tardies are part of the daily participation/effort grade. Students who are significantly absent or tardy will notice deductions in their grade.

1. Daily participation and effort: 30% of Grade
 - a. See the “Four P’s of Excellent Choral Rehearsal” on the previous page for more details on what is expected from the student.
 - b. All Students will start with 90% of their attendance grade. Students who demonstrate exceptional attitude and focus during rehearsal will increase that percentage. Students will be penalized points when they demonstrate the following: low energy, off task/disruptive, severe incidence (*sent out of class/defiance*), absence or tardy.
 - c. Students will be rewarded additional points when the student demonstrates the following: perfect attendance, service credit, outside choral concert attendance, other (*assigned by teacher privately*).
 - d. Tardies: student will be given one free tardy per quarter. All other tardies take *half* of student’s participation points for that day.
2. Performances: 40% of Grade
 - a. Students will receive their entire performance grade unless points are subtracted for the following reasons: low energy, off task/disruption, severe (*sent out of class/defiance*), absent or tardy, incomplete attendance (*leaving early*).
3. Tests/Quizzes: 20% of Grade
 - a. Written theory tests, vocabulary quizzes, text memorization, listening/history quizzes
 - b. Vocal skills tests (prior to concerts) and exams (scales, sight-reading, etc.).
4. Classwork/Written work/Assignments: 10% of Grade
 - a. Theory work, worksheets, forms to be signed by the parent, permission slips, etc.

A NOTE REGARDING AUDIENCE ETIQUETTE

Enthusiasm for a performance is greatly appreciated. Attentiveness during a solo is genuinely appropriate. Please take a few moments to familiarize yourself with the following etiquette guidelines, which exist so that all involved are likely to have a quality experience.

1. Arrive on time and stay until the performance is over.
2. Before a performance begins, turn off all cell phones, pagers, watch alarms, and any other devices that will be distracting and disruptive during the performance.
3. Avoid unnecessary noise during the concert such as talking, paper shuffling, unwrapping candy, loud coughing, and other distracting noises.
4. Take crying toddlers outside during a song; otherwise please stay in or out until a song is over.
5. Applaud for the choir and any soloists at the end of the piece, when they are acknowledged. Reserve vocal support (Bravo!, etc.) for the end of the concert.

FINANCIAL COMMITMENT

BOOSTER ASSOCIATION

The Centennial High School Choir Booster Association exists to provide support for the performance groups and the director of the CHS Choirs. This support includes organizational coordination, volunteer services, and fundraising. Meetings will be held a couple of times throughout the year, which will be announced at a later date. For more information you may speak with our booster president, Christina Stitt at 661-444-4211.

PARENT VOLUNTEER OPPORTUNITIES

We are always looking for parents to help us out. Please respond on the contract at the end of this handbook if you are interested in helping fundraisers, events, chaperoning, etc.

FUNDRAISING

One of the primary responsibilities of the CPC (Choral Parent Club) booster association is to raise money to reduce the costs related to the CHS Choir Program. These monies, most of which are raised through fundraising, help to pay for our sheet music, festival fees, transportation costs, spring tour, awards, and miscellaneous choir expenses. Please note these major fundraisers and their respective dates:

Sponsorship Drive: All year

Jamba Juice Cards: August

Majestic Cookie Dough: September 12nd – 26th, 2017

Spaghetti Dinner: February 22nd, 2018

Box Sales, Car washes, etc: TBA

STUDENT INVOLVEMENT

Students are expected to participate in the choir fundraisers to contribute to all financial needs of the choir. For those parents who would rather make a direct donation in lieu of fundraising, this can be indicated on the Handbook Form (back of this booklet). Students are strongly encouraged to bring in sponsorships from family members, friends, places of business, or corporations. A letter requesting donations is available upon request.

BINDERS/SHEET MUSIC

Students will be required to supply their own 1", 3 ring binder and a pencil to be kept in their binder. It is the responsibility of the student to take care of their binder and not lose the sheet music loaned out to them. Any sheet music not returned by the end of the year will be charged to the individual's student ASB account. Individual sheet music costs up to \$3.00 each, so these charges can add up quickly if students are not careful with their music.

PERFORMANCE ATTIRE STANDARDS

It is understood that the unity of appearance must be attained when attending high quality performances. Uniformity ensures a sense of professionalism when appearing in public and representing Centennial. It is the responsibility of each member to appear in proper performance attire for each occasion. **Members may not appear with the choir until the uniform standards are met.**

- Performance attire is complete, clean, neatly pressed and in good repair
- Long hair will be pulled up to maintain a professional, formal look
- Ladies will wear appropriate makeup for stage lighting
- All ladies will wear flat, **solid black**, closed-toed shoes (no high heels)
- Boys are to wear **black** dress shoes and **black** socks (no tennis shoes)

PERFORMNACE ATTIRE INFORMATION

Concert choir men and Men's Choir must wear a specified outfit including black slacks, a black dress shirt and a white neck tie. The entire outfit can purchased for \$55. This year we are going with Mr. Tux. Chamber men will have the same outfit except with an added vest and bow tie (\$50). Total cost for Chamber men is \$85 unless you already have slacks and shirt. All women must wear the specified dress for their particular choir. These dresses can be borrowed from CHS or new dresses can be purchased for approximately \$55. Choir t-shirts and sweatshirts may be ordered and will be available for interested students. More information on t-shirts will be announced in the future.

MONIES OWED

Monies owed from fundraisers/uniforms/etc. are due on the dates given. If monies owed are not received promptly, students will have the debt placed on their student ASB account, preventing them from receiving schedules, report cards, and graduating.

LETTERING IN CHOIR

A Block "C" is issued to Centennial Students when they have participated in a varsity level sport or have accumulated 56 points through academics, athletics, activities, academic competitions and special projects. A letter awarded at Centennial High School truly reflects outstanding effort in one or more disciplines. Letters, pins and bars can be awarded for each semester a student is involved. In order to receive a letter in choir, the following requirements must be met:

WHY CHOIR?

Choir is a family.

We sing together, travel together, eat together, & laugh together!

Choir is the whole package.

Music is a Science. It is exact, specific, and demands exact acoustics. A Conductor's score is a chart or graph, which indicates frequencies, intensities, volume changes, melody, and harmony all at once and with the most exact control of time.

Music is Mathematical. Rhythmically, it is based on divisions of time into precise fractions which must be done instantaneously, not worked out on paper.

Music is a Foreign Language. Most of the terms are in Italian, German, or French. The notation is certainly not English but a highly developed kind of shorthand that uses symbols to represent ideas. Music itself is the most complete and universal language.

Music is History. Music reflects the environment and time of its creation, including its national and racial sources.

Music is Physical Education. It requires fantastic coordination of fingers, hands, arms, lip cheek, and facial muscles, and extraordinary control of the back, stomach, and chest muscles, which respond instantly to the sound the ear hears and the mind interprets.

Music Develops Insight and Demands Research. Organized, independent thought is required.

Music is all of these things, but most of all, Music Is Art. It allows a human being to take all these technical terms, facts, and techniques and use them to create emotion. That is one thing science cannot duplicate: humanism, feeling, emotion, call it what you will.

Choir is no-homework zone.

Imagine having one fun class each day that doesn't add to your homework load.

Choir is manageable.

A no-hassle, stress-relieving addition to your life.

Choir is impressive.

Colleges love to see choir on applications, and singing can get you scholarships.

YOU SHOULD STUDY MUSIC...

Not so you can major in music,
Not so you can play or sing all your life,
Not so you can relax,
Not so you can have fun,

BUT . . .

So you will be human,
So you will recognize beauty,
So you will be sensitive,
So you will be closer to an infinite beyond this world,
So you will have something to cling to,
So you will have more love, more compassion, more gentleness, more good - in short, more life.
For of what value will it be to make a prosperous living unless you know how to live!
